

Renderings Requirements:

The definitive set up of your stand must be in strict conformity with the rules and regulations of the exhibition and will be acknowledged upon receipt of your rendering/plans submission.

The Exhibitor Services Coordinator will provide all the paperwork based on the stand renderings to the venue and local/government authorities if requested. Stands must match submitted renderings when erected on event site.

PLAN PRESENTATION & SUBMISSION FOR APPROVAL

It is compulsory that you submit your stand renderings/plans for review before 21 March 2018.

- Plan view, showing clearly all dimensions, walling and major exhibits
- Elevation views, showing clearly all dimensions, graphics etc.
- Structural calculations/drawings proving structural stability, weight loadings etc.
- Details of materials & fire protection

Any modifications to the stand design must be submitted for approval. Stand installations not complying with the most recent plan received by the organiser will not be authorized. The design of the stand must be such that it can be safely erected and dismantled within the time available.

Drawings should be in a recognized scale not less than 1:50. All plan calculations and documentation must be in English and should clearly state the Exhibiting Company's name, the stand number and the name and contact mobile number of the responsible contractor.
